2022, Term 3, Week 2

Parent Teacher Interviews

Thank you to all parents who turned out for the recent parent teacher interviews, and to the P&C Association for making soup for everyone. If you were unable to attend and wish to talk to your child's teachers about their progress, please contact the school.

Excursions and In-school activities

There are many opportunities for students to be involved in excursions and in-school activities, however, many of these require permission notes to be signed by parents and returned to allow your child to be a part of them. Some also require payment. Please encourage your child to give you any permission note promptly after they are handed out so that they can be returned in plenty of time to be included in the activity. Please be aware that if your child does not behave in a respectful and appropriate manner during these extra opportunities, they may not be available to them in future. When students are on excursion, they are representing the school, but they are also representing their families and they are representing themselves. Please support us in developing your child's understanding of this so that they can behave in a way that is appropriate; being respectful and following instructions, so that everyone can be safely supervised while enjoying and gaining the most from the experience.

Contact Details

If you have recently changed your contact details including your phone number or mailing address, please call the school and update them on our files so that we can contact you if the need arises. Also reflect on who you may have nominated as an emergency contact for your child, and if this information needs to be updated, please contact the school.

If you wish to contact the school to discuss any matter, please do not hesitate to call us on 6374 1201. Please take the time to explain the purpose of your call so that our helpful front office staff can direct you to the relevant staff member who is able to assist you in the most effective manner.

Alternatively, please email the school:
gulgong-h.school@det.nsw.edu.au

Year 8 - Katelyn Donnelly

Year 9 - Lauren Amedee

Year 10 - Sam Crook

Year 11 - Caitlin O'Sullivan

Year 12 – Kirsten Boyce

Aboriginal Education Officer – Gail Ratcliffe

Would an employer be happy with that level of attendance?

If your child has 90% attendance, they are missing, on average, one day of school each fortnight.

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

1 day per fortnight

=

4 weeks

=

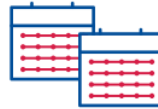

Over **1** year missed

1 day per week

=

8 weeks

=

Over **2.5** years missed
