Tuesday 27 June

Silver Reward Day
Thursday 29 June

Athletics Carnival

Thank you to our community for their understanding regarding the cancellation of our school athletics carnival. The early morning rain proved problematic for us and to ensure the safety of students and staff, the carnival was cancelled. The carnival has been rescheduled for Friday 2 June.

School Uniform

Our school community values the importance of wearing a school uniform. It creates a sense of identity and belonging. Please remember that Back to School vouchers, along with our school uniform vouchers issued at the start of the year, can assist in purchasing new uniforms. Assistance is also available from the school to help cover the costs of uniform items.

Mobile Phones

Gulgong High School has an 'off and away' mobile phone procedure. This means students should only use mobile phones if permission is given by a classroom teacher and it is being used for educational purposes.

To help with this, we ask that if you need to contact your child during school hours, you leave a message with our front office, and this will be passed on to your child. Our office can be contacted on 02 6374 1201.

From Term 4, mobile phones will be banned in public high schools. Mobile phones are already banned in primary schools.

The ban on mobile phones will apply during class, recess and lunch times, as is the case in NSW public primary schools. Students will be allowed to carry their phones while travelling to and from school.

More information regarding changes that will take place at Gulgong High School will be communicated to students and families in the near future.

Attendance

Every day at school matters, and when a child is absent from school, an explanation should be provided. You can do this by contacting the school or replying to the text message sent to you regarding your child's absence. To help support your child, our school office may contact home to check in with you regarding your child's absence.

Year 10 Trade Readiness Program
