**Monday 5 September**

Indigenous Literacy Day  
**Thursday 7 September**

Science Fair  
**Friday 8 September**

Year 12 Review Interview  
**Friday 8 September**

### Science Fair

On Friday 8 September 2023 Year 10 will be holding their annual Science Fair in the small hall during periods 3 and 4. Students will be encouraged to show their research assessment tasks with an interactive display. Parents, carers and guests are also invited to attend and view the results of students' scientific investigations.

After the viewing, visitors will be invited to vote for the Peoples Choice Award and stay for some light refreshments.

Please RSVP to the front office by 5th September for catering purposes.

### Year 9, Year 10 and Year 11 Subject Selection

Thank you to the families that attended our subject selection evening.

Students in Years 8, 9 and 10 are able to choose their elective subjects for next year. This is completed online. Students should see instructions that were emailed to their student email addresses.

If students require assistance, they should see Ms Dybell.

### 2024 School President Elections

We are immensely proud of the exceptional students who have stepped up as nominees for the position of School President in 2024. This year, we have been fortunate to witness the emergence of four remarkable individuals, each possessing remarkable leadership qualities.

Taylah Ahearn, Jemima Birt, Sigrid Germon, and Chloe Harfield have all demonstrated their commitment by putting themselves forward as potential school leaders for the upcoming year.

The voting process is scheduled to take place this week during roll call, allowing every student to participate in this decision.

We extend our best wishes to all of you throughout this journey. Regardless of the outcome, you are already exemplifying leadership qualities. Your courage and confidence in advocating for your beliefs and representing others serve as a testament to your leadership, setting a commendable example for your peers.

Year 7 and 8 writing in HSIE
