Vaping Presentations  
**Tuesday 29 August**

Year 12 BBQ and Smoothies  
**Tuesday 29 August**

## Vaping Presentation

Gulgong High School is committed to supporting students and the community in raising awareness and information about current issues. With an increase in vaping across all communities, we are bringing a vaping workshop to school for students to learn about the following topics:

This will be held on Tuesday 29th August 2023 and will cover topics such as:

- Debunking the myths and misinformation of vaping and e-cigarettes
- Vaping vs. smoking
- Nicotine and the brain
- Understanding dependence and brain development
- Realities of e-cigarette use and strategies to look after a mate
- Standing firm and communicating personal choices
- Vaping and the law

Parents are highly encouraged to attend the community presentation on the same day at 5:30PM at the Gulgong RSL.

## School Plan

Thank you to all the parents and carers who completed our community survey as part of our School Planning Cycle. Your feedback will be used as part of our situational analysis and will be used to help form our strategic directions for the next three years. Further consultation regarding our school vision will take place with P&C and AECG.

## P&C Meetings

Gulgong High School has a very active P&C Association. The P&C meets on the third Tuesday of each month at 5.30pm at the Gulgong RSL. This is an excellent way for parents and members of the community to become involved in the school and to become informed about school policies and activities. All parents are encouraged to participate and new faces are welcome to join us.

The next P&C meeting is on Tuesday 15 August.
