Congratulations Year 12

As we bid farewell to our outstanding Year 12 students, we find ourselves both proud of their achievements and filled with a sense of anticipation for the bright futures that await them. This remarkable group of young individuals has exemplified resilience, dedication, and unwavering spirit throughout their journey at our school.

Year 12, your graduation signifies the culmination of years of hard work, growth, and transformation. You have not only completed your formal education but have also acquired invaluable life skills, forged lasting friendships, and etched indelible memories. We are confident that you are well-prepared to face the challenges and opportunities that lie ahead.

While you embark on new adventures, remember that Gulgong High School will always be a part of your story. You carry with you the values of curiosity, perseverance, and a commitment to excellence that define our school community.

Mobile Phone Ban

As you know, in Term 4 we will have a new policy in place around mobile phone usage. This policy is being implemented to increase focus in classrooms, remove distractions and promote positive social interactions in the playground.

We are excited to make our school a mobile phone-free space to improve learning and engagement; however, we will always make sure you can contact your child in an emergency. There will also be further information posted on the school website and via letters to parents and caregivers.

Have a safe and happy spring break

As the school term comes to an end, we wish you all a safe and happy holiday. The school holidays are a perfect opportunity to step back, relax, and rejuvenate. Whether you're embarking on adventures or enjoying the comfort of home, may your days be filled with joy, warmth, and the company of loved ones. We can't wait to see you back, ready to tackle a new term.
