Meet Melissa Cox: Your Wellbeing Nurse

We're excited to introduce Melissa Cox, our dedicated Wellbeing Nurse. Melissa is a seasoned NSW Health Registered Nurse committed to supporting the health and wellbeing of our school community.

Melissa can help students with any health-related questions or concerns. She can help find healthcare options and resources for students and your family. Students can rely on her expertise to guide them through various health and community services available to meet your needs.

Melissa will be available to chat with students every Monday in the School Counsellor's room. If you'd like to schedule a meeting with her, simply complete a wellbeing referral. Parents/carers who need assistance with their child's health care appointments and/or paperwork can contact the office to make an appointment with Melissa.

Your health matters, and Melissa is here to ensure you have the support and resources you need to thrive.
