Planned travel and school holidays

As we head into the end of term, it remains important that your child attends school every single day. Being at school is the best place for students to learn as well as to keep social connections and build life-long skills.

We understand that families are eager to see and reconnect with loved ones and take a well-deserved break, but please remember that planned travel should only be taken during scheduled school holidays.

Students should be at school every day during school terms, including until the end of term, unless they are sick or are absent for a justified reason.

Missing a day here or there may not seem like much, but absences add up and can negatively impact your child's learning and wellbeing. When your child misses one day per fortnight, that's 4 weeks of missed learning in one year. Over an entire school journey this adds up to 1 year of lost learning.

School Student Broadband Initiative (SSBI)

To boost education opportunities and narrow the digital divide, the Australian Government is providing up to 30,000 eligible families with no internet at home a free National Broadband Network (NBN) service.

Contact the National Referral Centre, operated by Anglicare Victoria, on 1800 954 610 (Mon-Fri, 10am-6pm AEDT), www.anglicarevic.org.au/student-internet to check your eligibility.
