Geography Field Work

Year 9 students undertook fieldwork at Winona Farm. This fieldwork highlighted to them the advantages of taking a sustainable approach to farming and the role played by regenerative agriculture in this change. Students were able to conduct soil tests, draw field sketches and test water quality on the farm. This work was backed up in the classroom with a variety of learning activities.

School Playground Supervision

School playground supervision begins at 8:40am. Students who arrive prior to this time will have limited supervision. To ensure the safety and wellbeing of all students, we encourage families to plan for timely arrivals at school, ideally aiming to arrive between 8:40am and 9:00am. If students need assistance between 8:00 and 8:40am they should report to the office.

School Fees

Parents of Year 9-12 students have been invoiced for the 2025 elective subjects. We are pleased to inform you that school fees can now be conveniently paid through School Bytes. Your prompt payment of these fees is greatly appreciated, as it enables us to acquire essential resources that enhance your child's learning and development.

Additionally, we are pleased to announce that there will be no general contribution fee this year. School fees are not charged for compulsory subject, or for students in Years 7 and 8.

If you have any concerns or questions regarding school fees, please don't hesitate to contact the school at 02 6374 1201. Thank you for your continued support!

Anzac Day Commemoration

Gulgong High School students are invited to commemorate Anzac Day on Friday 25 April.

Students wishing to march with the school must meet at the Memorial Hall at 10am. Students must be in full school uniform, including black shoes. Students who wish to borrow a formal school uniform must see the front office by Tuesday 8 April.

Happy Holidays

Have a restful holiday. School resumes Wednesday 30 April.
