Tuesday 1 July

KINectic Workshop

Thursday 3 July

Silver Rewards Day

Thursday 3 July

Last Day of Term 2

Friday 4 July

Chess Club

We have had a number of students across Years 7-12 this year participating in Chess Club with Mrs Whan. We hope to keep building our numbers in order to join the NSW Junior Chess League Country Secondary Schools competition for the Western Division next year and participate in an Interschool one-day competition through the Sydney Academy of Chess. Playing chess is fantastic for memory, concentration, mindfulness, problem-solving and has a ton of other benefits. Students are encouraged to come along Wednesdays at Lunch in the Library or give chess a go by playing online or via an app on their devices at home.

CPM Monitoring

Gulgong High School was selected to take part in a Curriculum and Policy Monitoring (CPM) meeting – a process run by the Department of Education to support schools in implementing curriculum and policy effectively. As part of the meeting, we had the opportunity to share some of the fantastic work happening in our school. Ms Waters, Ms Garrett and Mr Wong, presented key strategies that have been implemented within the English faculty, as well as our ongoing efforts to improve student attendance. It was a great opportunity to reflect on the progress we're making and to share our successes with other schools.

2026 Year 7 Information Night

We're excited to invite all Year 6 students and their parents/carers to our 2026 Year 7 Information Night at Gulgong High School on Tuesday 24 June at 5:30pm in the school library.

This is a great opportunity to:

- Meet key staff members
- Learn more about the diverse programs and opportunities at Gulgong High
- Understand the enrolment process
- Have your questions about high school answered

We look forward to welcoming our future students and helping them feel confident and ready for the transition to high school.

Attendance Matters

This week, we're recognising those who've shown real commitment by either achieving over 90% attendance or improving their attendance from Term 1 to Term 2. To celebrate our students' effort and dedication, those who meet either milestone will be treated to a hot dog lunch, provided by our awesome canteen.
